Manchester Arena Attack

24th May 2017

The Wigan Mosque joins with other mosques and organisations and indeed the whole country in condemning, in no uncertain terms, the recent horrific attack on children and young people in the Manchester Arena.

This was a vile and a criminal act committed by an individual with a warped and deranged ideology. The person concerned and others of his ilk, have no place in our society.

Our deepest condolences go to the friends and relatives of the deceased and our prayers and good wishes are with the injured for their full and speedy recovery.
